COMMUNICATION

This communication is submitted in conjunction with a Terminal Disclaimer for the above-identified patent application. A Terminal Disclaimer was originally filed in the above-identified application on January 29, 2004. However, Examiner Steadman indicated that this document did not identify the correct U.S. patent application or issued U.S. patent. In a telephone conversation on March 26, 2004, the undersigned and Examiner Steadman agreed that the best method to rectify this situation would be to resubmit a corrected Terminal Disclaimer via facsimile. Accordingly, Applicants submit herewith a Terminal Disclaimer over U.S. Patent No. 6,610,820.

The Commissioner is authorized to charge the \$55.00 terminal disclaimer fee, along with any additional fees, or credit any overpayment of same, to Deposit Account No. 50-0311, Reference No. 20349-501DIV. If there are any questions regarding these remarks, the Examiner is encouraged to contact the undersigned at the telephone number provided below.

Respectfully submitted,
